REPORTS OF THE STANDING COMMITTEES

Water & Sewer Committee – Mrs. Yingling

It was moved by Mrs. Yingling, seconded by Mr. Funke to grant the request of Grace United Church of Christ, 100 Fourth Street, to hold Easter Sunrise Services Sunday, April 5, 2015 6:00 AM to 8:00 AM adjacent the dam breast at Long Arm Dam in the parking lot provided the area is cleaned up after the service and returned to its previous condition following the event. Motion carried.

MAYOR'S REPORT

Mayor Adams reported he attended the Downtown Familiarization Walk on January 30th with Manager Krebs and President Gerken; and on February 20th he attended the Go Red Luncheon at the Hanover Country Club. Mayor Adams called for all in attendance to observe a moment of silence in memory of former Councilman Hufnagle who recently passed away.

VIDEO REPORT

Water Distribution Supervisor Ault described recent photos of the spillway at Long Arm Dam where ice has continuously frozen around a large valve; crews have had to keep jackhammering the ice away so the valve would not break; water main break along McKinley Avenue; water main break at library where the new paving had to be excavated in order to make repairs. Manager Krebs showed photos of the new bucket truck which has finally arrived; and the new garage door at the Tanger building. Manager Krebs thanked the Public Works staff, Water Department staff, Fire Department and Police Department for their diligent and dedicated work to keep operations moving during this unusually cold February. There have been five (5) water main breaks since last weekend, where crews are called at all hours to keep the water system in operation.

OTHER MATTERS

New Business

It was moved by Mr. Roth, seconded by Mr. Funke, to accept, with regret, the retirement request of Firefighter Fred Sentz, after thirty-five (35) years of service to the Hanover Borough Fire Department, effective April 10, 2015. Motion carried.

Communications

Manager Krebs stated that Zachary Steckler recently passed a significant exam in pursuit of his engineering certification and congratulated him, even though he could not attend this evening's meeting.

Mr. Eline commended the police department for their dedication to the community.

Adjournment

President Gerken thanked all who attended this evening. A motion was made by Mr. Funke, seconded by Mr. Eline to adjourn the meeting at 7:30 PM. Motion carried.

Respectfully submitted,

Dorothy C. Miller
Borough Secretary
