## **DOWNTOWN BEAUTIFICATION**

Main Street Hanover is again organizing this year's Downtown Beautification Program. Spring is almost here and we are looking forward to beautifying Hanover's downtown with professional planters and hanging baskets.

Please consider helping make Downtown Hanover more beautiful and inviting by purchasing hanging baskets, planters and/or making a general donation. Please note that all baskets and planters will be located in Center Square. This program also includes maintenance, so that your flowers will look beautiful throughout the season.
