

Off-Street Parking for Ruth Avenue during Snow Emergencies

The Borough will provide space on the Baltimore Street and Frederick Street Parking Lots for those properties without sufficient off-street parking space during snow emergencies.

We ask that vehicles be removed from the parking lots within 24 hours after the end of a snow emergency, so we can then clean the lots.

If you know of closer private parking lots, you may want to contact those lot owners directly, we were unsuccessful in gaining use of non-Borough property for "official" use because of potential liability.

If you need help shoveling snow, remember the Borough switchboard has a list of people willing to provide their services in the Borough. Call 637-3877 between 8:00 AM and 5:00 PM, Monday through Friday.
